Start Your Home Maintenance Today

→ Site Assessment

Our expert team provides a thorough examination of your property, giving you all the information needed to make informed decisions about repairs and improvements. Whether you're planning renovations, preparing for sale, or simply want to maintain your property, our site assessment service is the first crucial step.

Timeline & Pricing: Cost for Comprehensive Site Assessment: \$180 + GST

→ Home Health Checks

Preserve and maximize the value of your home with home health checks. Our meticulous assessments identify potential concerns before they escalate, saving you time and money in the long run. Home health checks include assessment and recording of all rooms, floors, walls, windows, pantries, including external areas.

Timeline & Pricing: 1-2 Hours for Completion. Price start from \$349 +GST *Varies according to property details

→ Home Repairs

For those inevitable home repairs, trust in our expertise to restore your property's functionality and aesthetics. Our handymen approach each repair project with precision, addressing issues both big and small. With a focus on delivering lasting results, we ensure your home maintains its value and remains a safe, comfortable space for you and your family.

Timeline & Pricing: Varies according to property details

OUR HAPPY CUSTOMERS

"Ben's team did a fantastic job replacing an old bank of 1960s letterboxes. They demolished the old, resurfaced the area with weed mat/pebbles and cemented in the new."

- **Jon Archer**

"Ben and his team were fantastic to deal with - they provided me a quote for small carpentry works for my house, plus interior painting of a ceiling, plus external waterproofing for my roof that was required as part of my insurance claim."

- **Melina Thomas**
